

## W E L C O M E

---

I am pleased to introduce you to the key players on my kitchen. All those producers have been chosen one by one where the key words are quality, authenticity and proximity to make you discover the wealth of our Domfrontais.

With them our adventure continues and it is with pleasure that I propose a natural cooking. In complicity of course with my kitchen team and restaurant team, we cultivate intuition, creativity and spontaneity.

Good tasting !

Franck QUINTON
